2. 16.12.2008 Heard.

The petitioner is alleged to have fired a shot which hit the informant in his neck. The discharge slip of the informant has been produced by learned counsel for the informant and that indicates that mandible of the informant was fractured in multiple pieces and the informant was admitted in P.M.C.H. for repair of the same. It is clearly mentioned in the discharge slip that multiple injuries on face were caused by bullet.
